

## PRINCIPLES FOR TEACHING SCIENCE AT TROON CP SCHOOL

*"I have not failed; I have just found 10,000 ways that won't work."* Thomas Edison

We know good Science occurs in our school when...

1. We ask questions and wonder...
2. We learn through hands-on investigations
3. We apply our learning to the real world
4. We use science to make a difference in the real world
5. We Predict, Explore, Engage, Enquire and Explain
6. We are collaborative learners
7. We are inspired by real life scientists/experts
8. We apply our maths skills in science

## VISION FOR SCIENCE AT TROON CP SCHOOL

We nurture active, knowledgeable and curious scientists who question, explore and investigate the world around them.
