

What should I already know?

- ◇ I know that materials can be shaped and modelled
- ◇ I know how to use sketching pencils and have some experience of drawing what I can see.

Key Vocabulary

still life, sculpture, installation, shape, colour, texture, composition, Mod Roc, armature, communal

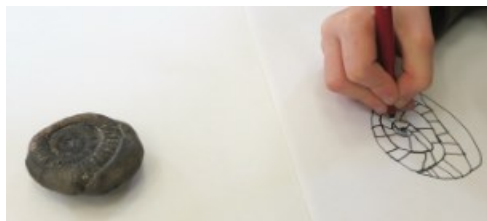

Resources to help me with my learning!

Using a sketch book <https://vimeo.com/452145034>

Practice drawing to support your work in your sketch book.

Continuous line drawing <https://vimeo.com/328459126>

Backwards forwards sketching <https://>

What will I know by the end of this unit?

- I know that sculptors use sketch books to record and form their ideas and I can do this too
- know that Mod Roc is a modelling resource
- I know that I need to create an armature to form the structure of my model when using mod roc
- I know that I can pinch and smooth mod roc to create detail
- I know that Mod Roc can be painted once dry
